Interpersonal Needs Questionnaire

The following questions ask you to think about yourself and other people. Please respond to each question by using your own current beliefs and experiences. Not what you think is true in general, or what might be true for other people. Please base your responses on how you've been feeling recently. There are no right or wrong answers: we are interested in what you think and feel.

The scale ranges from (1) "Not at all true for me" to (7) "Very true for me."

	Not at all true for me			Somewhat true for me			Very true for me
